1. The following is an examiner's statement of reasons for allowance: the cited art does not teach nor suggest a heat sink clip composed of a connecting member, two pressing members connecting to the connection member, each of the pressing members having a pressing portion and two spring portions extending from opposite ends of the pressing portion, a first locking portion depending from one end of the spring portions, two operating members each having spaced first and second pivot means, a second locking portion pivotably connected to the corresponding operating member as claimed in claims 1, 8 and 18, respectively.

any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Greg Thompson at (571) 272 -2045.
